TetraBrazil Camps offer American players the opportunity to experience first-hand the kind of soccer training that has made Brazil the most successful soccer nation in the world. Teaching more than just techniques and tactics; each staff member will bring an authentic taste of the flair, passion, and creativity of Brazilian soccer to camp. And now campers can continue to improve what they've learned at camp throughout the year through iChallenge - Challenger's new personal coaching app!

Each camper will receive a code to download the iChallenge app, and 20 videos for free! Campers view and practice the skills linked to their ability level, upload a video of themselves completing the skills, and then receive personalized online coaching from a member of our experienced virtual coaching team! Each camper can score points for their videos, see how they rank internationally, and challenge others to innovative freestyle duels!
